BEYOND YOUR
WILDEST DREAMS

Estación Espacial
(Space Station)
72 X 48
Acrylic on canvas
2002

By Fawn Shoemaker

Her patterns are simple, but feel real. They are bright, and make you smile a long grin. When you watch, her brush dances across the canvas light, but intensely. Each masterpiece is an expression of her imagination, exploded into a world of creativity and displayed onto the canvas time and time again. Carla Fache is not only a painter, but a girl with a powerful passion and an unbelievable gift of art.

"LIQUID LOVE"- WHEN LOVE COMES IN YOUR LIFE, DON'T LET IT ESCAPE FROM YOUR HANDS, LIKE LIQUID.

"EN LO MAS PROFUNDO DEL MAR" (IN THE DEEPEST OF THE SEA)- WHEN THE MYSTERY LIES IN AN UNKNOWN WORLD, AND ONLY IN TIME IT CAN REVEAL ITSELF TO US, BUT ONLY WHEN THE TIME COMES WHERE WE RESPECT OUR SEA, AND MOTHER NATURE.

"BASIC INSTINCT" – THE MYSTERY OF SENSUALITY.

"RUSH"- DEEP IMPACT, LET YOUR IMAGINATION FLY.

"DEEP RED" – IN RED I FIND PASSION, RED IS A COLOR WITH A LOT OF PERSONALITY. DEEP RED- ONLY LOVERS UNDERSTAND THE DEEP OF RED.

Carla Fache was born in **Santiago, Chile**, on May 14, 1977. Since the age of four, her drawings have reflected her creative mind, singling her out from the rest of her peers. She translates her innate and original talent, through her strengths and passions, using her favorite color "RED". Surrealist art and comic strips lured her into the art world, preparing her to discover her artistic niche in abstract modern art. Her mission is to allow the spectator to tap into his own imagination and exercise his freedom of thought and expression through his own interpretation.

Artist Statement:

Painting is the faith within me, that endless hope that we as human beings carry through life. When I paint, all my senses come into play: my emotions, my eyes, my hands, my canvas, my ears... I'm in tune with myself, and all that surrounds me. To me, painting is like having thousands of lovers (canvases); each one needs my all and they all require sacrifices, patience, love and they all are very demanding,

"LA DIFERENCIA" (THE DIFFERENCE) WE ARE ALL DIFFERENT, IN THAT DIFFERENCE THERE IS BALANCE.

"ICEBERG" – IN THE COLDEST HEARTS THERE WAS ONCE LOVE AND PASSION.

"BLUE SKY"- THE SKY IS THE LIMIT, FAITH IS ALWAYS THERE.

detail-oriented and critical; they ask to be given what they deserve and I grant their wishes. Through my paintings I express my sensibility, my strength, my intensity, and the sensuality within me. When I finish my paintings I feel happy and satisfied with my work. The brush on the canvas is like caressing the one you love. Painting is my renaissance, my life, my stairway to heaven.

Her Art::

The art featured throughout this article is just a glimpse of Carla's magnificent skill. Through Carla's passion and dedication to her art, she has become very successful and continues to open doors that allow her masterpieces to be seen by everyone.

What inspires Carla Fache to paint?

I feel committed to my artwork, imagination is far from the reality of the world we live in today. It's like climbing a ladder so that I can show my artwork to the world, so that they can see that

with just imagination and faith you can touch the stars. What inspires me? My love for arts, the beauty of art, and all the emotions and imagination you can express in just a canvas.

What advice would she give to young artists?

To love their work no matter what critics might say. Make your dream a reality, and never ever lose faith.
